JARHEAD RED

THE STORY

Since the founding of the Marine Corps on November 10, 1775, at Tun Tavern in Philadelphia, Marines have gathered on this date and toasted their comrades present and absent, as well as the future of the United States Marine Corps. Jarhead Red was conceived in 1999 as a celebratory bottling for the Marine Corps Scholarship Foundation's annual Birthday Ball in Los Angeles. Over the years, the wine gained a following by word of mouth, and was enjoyed at Birthday Balls around the country. To meet this growing demand, the wine was released for distribution, with net proceeds benefiting the Marine Corps Scholarship Foundation.
